

S L D S C O M P O N E N T L I B R A R Y

Font Sizes 11, 10, 9, 8, and 7

Font Sizes 11, 10, 9, 8, and 7 are rarely used in Salesforce products but are available to the Salesforce community for user in their custom Salesforce applications

Font Size 11, 10, 9, 8, 7 Variants

While technically possible to apply tokens to Font Sizes 11, 10, 9, 8, and 7, SLDS does not recommended using any variants at these sizes.
Plus, no one's got time for a 32pt link or 42pt error message.
